Chairman, Ernakulam
Branch & Conference
Convener

Welcome to Kochi, the Queen of the Arabian sea as the Ernakulam branch of the Institute of Chartered Accountants of India gets one more feather in its cap by having set out to construct a new building – a temple of learning.

Kochi's romance with trade and commerce grew in strength as the trading skills of the Arabs, the Greeks, the Romans, the Jews, and the Chinese spiced up its history. The romance continues as the land sees a new digital age with businesses wiring up the planet in a giant online network, and finance and accounting taking on new challenges.

About ICAI

The Institute of Chartered Accountants of India (ICAI) is a statutory body established on July 1, 1949, by an Act of Parliament, 'The Chartered Accountants Act, 1949', for regulating the profession of Chartered Accountancy in India. It is the second-largest accounting body in the world. Over 72 years, the ICAI has won recognition as a premier accounting body nationally and internationally.

The ICAI functions under the administrative control of the Union Ministry of Corporate Affairs. The ICAI has 167 branches in five regions covering the length and breadth of the country and 44 chapters abroad with a combined membership of 3.5 lakh chartered accountants and more than 7 lakh students.

About the Ernakulam branch of the ICAI

The Ernakulam branch of the ICAI, set up on December 1, 1967, is the largest branch in Kerala and the third largest in south India, with more than 2,500 members and 9,000 students. The Branch constructed its own building in 1986, the first branch of the ICAI to do so. The Ernakulam branch has been adjudged the best branch at the national level for the last several years.

About the infrastructure project

To meet the growing needs of members and students, the ICAI invested Rs 14 crores to acquire 45 cents of land on Chittoor Road in the heart of the city of Ernakulam. It is proposed to construct a state-of-the-art new building — The ICAI Bhawan Ernakulam. The modern office will include an administrative complex, conference facilities, amphitheater, library, reading room, parking space and cafeteria. The ICAI has sanctioned Rs. 7.5 crores for the construction.
