All Kerala CA conference “Navaratna” Conference 2023

The Nine branches of SIRC of ICAI in Kerala are jointly organizing a conference titled “Navaratna” on 3rd & 4th November 2023 at Ernakulam.

The Navaratna Conference is an annual event in Kerala that was initiated during the COVID -19 pandemic in 2020. The event brings together the brightest minds and industry leaders in the field of accountancy in Kerala. For the past three years, the conference was being conducted online. However, this year, we are excited to host this conference physically and Ernakulam branch has been selected as the host branch from amongst the nine branches. The conference serves as a platform for knowledge sharing, professional development, and networking among the chartered accountants in Kerala. We anticipate the participation of approximately 750 Chartered Accountant delegates from across the State.

We are confident that the conference will provide a valuable platform to explore contemporary issues in various domains related to the CA profession. It will also offer an excellent opportunity for members to exchange knowledge and experiences.
