6 CPE HOURS

ABCD of Technology - Artificial Intelligence, Blockchain, Cyber Security, Data Analytics for Chartered Accountants

Organized by
Digital Accounting and Assurance Board
The Institute of Chartered Accountants of India
Hosted by **Ernakulam Branch of SIRC of ICAI**

Day & Date	**Monday, 31st December, 2018**
Venue	**ICAI Bhawan, Diwans Road, Ernakulam**

"The best way to predict the future is to create it."

Digital era has drastically transformed the business landscape thereby impacting accountancy profession. Four important areas of modern technology which have far reaching relevance for the profession are referred as ABCD of emerging technology, where A stands for Artificial Intelligence, B stands for Blockchain, C stands for Cyber Security and D stands for Data Analytics.

Digital Accounting and Assurance Board is making wide ranging efforts to ensure that expertise in these four dimensions of technology becomes essential part of professional skill set of our members. The objective of this one day program is to give a brief introduction of these emerging technologies and their impact on the Chartered Accountancy Profession.
