SREERAM NEELAKANTAN & ASSOCIATES, CHARTERED ACCOUNTANTS

To
The Secretary
Institute of Chartered Accountants of India,
Ernakulam

Dear Sir

My firm is planning to recruit 4-6 Chartered Accountants to work in my team on an immediate basis. A brief job description is mentioned below:

The selected resources will be working on audit assignments of Indian/foreign companies. The key expectations from the candidates are:

- Demonstrating basic understanding of industry or sector and be aware and updated on all technical issues
- Collaborate with seniors and other engagement team members as well as with client to plan and execute audits in accordance with the required audit standards
- Demonstrate professionalism, competence and clarity of communication with clients and with other team members
- Where appropriate, challenge procedures used in the past and put forward improvement ideas including use of technology and automation to enhance audit deliveries
- To supervise, monitor and review audit working papers prepared by junior team members

I am preferably looking for resources who have qualified in the recently held ICAI examinations or have 1-2 years of experience. Do please help me in placing this information in the Institute's notice board as well as circulate this message among the Branch's social media groups.

Please refer my contact details as noted below:
