Abhijith Preman & Co. LLP, Chartered Accountants

📍 Kochi

🎓 CA Intermediate qualified candidates

About the role

APCALLP works as the Virtual CFO and finance partner for startups and SMEs. As an Articled Assistant, you will work beside our partners on business advisory, investment advisory and finance consulting. You will help founders read their numbers, plan their cash and get ready for investors.

What you will work on

1. Virtual CFO & Business Advisory

- Monthly MIS, dashboards and budget vs actual reports that founders use to make decisions
- Cash flow forecasts, runway planning and working capital reviews
- Advice on unit economics, pricing, costing and business performance

2. Investment Advisory

- Financial due diligence: review numbers, spot risks and write up findings
- Valuation work, financial models and projections for investors
- Data rooms and investor-ready numbers for fundraises

3. Finance Consulting

- Set up finance processes, internal controls and reporting systems
- Use modern tools (Zoho, Excel, automation) to make finance faster and cleaner

4. Finance Operations for VCFO clients

- Oversee accounting, TDS and GST so client numbers are always reliable
- Support clients through statutory and tax audits

Who we are looking for

- CA Intermediate qualified
- Strong interest in advisory, VCFO and deals
- Good with Excel; Zoho and Tally are a plus
- Curious, sharp and confident with clients
